Did you know...
David Copperfield is the highest paid magician being named on fortune 500's list.

Did you hear about the magic tractor?
It turned into a field!

Did you know...
By the 16th century, magicians began to perform as they do today. They did card tricks, made objects disappear, and performed mind reading.

How many words can you make from:
I LOVE TO DO MAGIC TRICKS

Hey kids, scan the QR code in the TV below to learn cool magic tricks that you can easily do.
